

EL TORO

1965

Jimmy,

Well, ole chum, we've been friends
so long I can't remember we
I met you. You're a good guy, and
I hope that everything you want,
you get. Stay sweet and be
good.'

Love, Srs.
Judy '66

Jimmy -
Woah, I can't
believe we've
known each other
for such a long
wonderful time!
It's been GREAT!
Terminie, you're
a real "looker" boy.
And what a person-
ality - Woppee!!
We always re-
member you - How
could I forget you!
(Ha! Ha!)

Jimmy Higgins
Good Luck.
Love,
Carol Ann

Dear James -
We've been friends
for a long time. To
bad you're not going
to be here next year.
Had fun on the golf
trips, we sure will miss
you. You did kind of get the
hell beat out of you. I'm
sure you enjoyed it, though.
I hope to see you around.
Good luck with Marsha, I
sure like me you're
going to need it -

- Jeff -

ser's hoping
that you get
whatever you hope and
dream for.
Mossy Brand

Jimmy
Well, this year's nearly
over and then all the
stud seniors will be
gone. You better not
stay gone too long.
I'll have been a wonder-
ful senior class, seriously?
Stay sweet and be good
in college! Love ya
Margaret

Jimmy -
It's been so great this
year in every way I
could ever dream. The
fun I've had knowing
you will continue I
hope. You are such a
wonderful person who
has the best opportunities
in the world. Make good
use of them. Let's not
forget the fun we've had
in Chem! I hope you get
out of it OK!
Be good & may God bless ya.
Love ya, Mildred
SES. 61

- Jimmy -

There is really a lot
to be said and I don't
know where to start. You
have plenty of reason to
hate me - but I don't
want that! We had a
lot of good times together.
I just want us to be the
very best of friends always.

Neither one of us has
gone out of our way to
be overly-friendly to each
other - but I would like
for that to change. I
really want us to be
friends - OK?

I wish you all the
luck in the world next
year at UT. I bet you
have a whole lot of
fun. It seems to be a
fantabulous place. I
am sure that you will
do real good.

Remember the Miller
basketball game in C.C.?
That was a wild time.
Then Goldfinger! We
had a lot of fun
that night. But it
seems so long ago.

Things always have to
change. Still I meant
all I said about being
much better friends in
the near future.

I hope to see you a
lot this summer. I
want to wish you all
the luck in the world
in everything that you
do.

Love you,
Carolyn SR. 61

Jimmy,
It's been a swell
year, but it's over.
I've always thought
you were the sweetest
little ol' thing. I
hope we can always
be friends. I'll mind
my own business
though. Good luck
to you wherever you go.
But wherever you go
don't forget... KAISE HELL
SK'565 Barbara

To a real great golfer (cheat) like me.
Hope you get your golf scholarship, you want,
but I hope you do. This was our first & last
year together on the golf team and I enjoyed
it a hell of a lot. I especially enjoyed ~~when~~
it when me & Jeff beat you up all the time.
Seriously I have really enjoyed knowing you
for the past 3 years or so. I have always
thought of you as a very close friend. I know
what you think of me. I want to wish you
the best of luck in college, you're gonna get
flunk out, but still, good luck. You'll

El Toro probably need it. H. M. King High School

Jimmy,

Man - this has been a
great year, hasn't it?
Too bad, all of us "students"
have to graduate!!
Well, anyway - we'll
be seeing each other
more at **UT** though -
I surely hope I don't
see you skipping as
much up there!

Have a great
summer and we'll
be seeing you next
year at **U.T.** -

Love & Luck!
Mary Perry

As the 1964-65 school year began, new doors opened into air-conditioned classrooms, sunny green patios, wide well-lighted corridors, a plush auditorium, a modern snack bar and many other conveniences of a new school all of which helped to make this school year a very pleasant one.

With this book, the El Toro staff has tried to preserve the first year in the new high school. We have tried to record the high points of the school year, picturing school spirit and increased school pride. We have tried to picture our new school in many different ways, from many different angles.

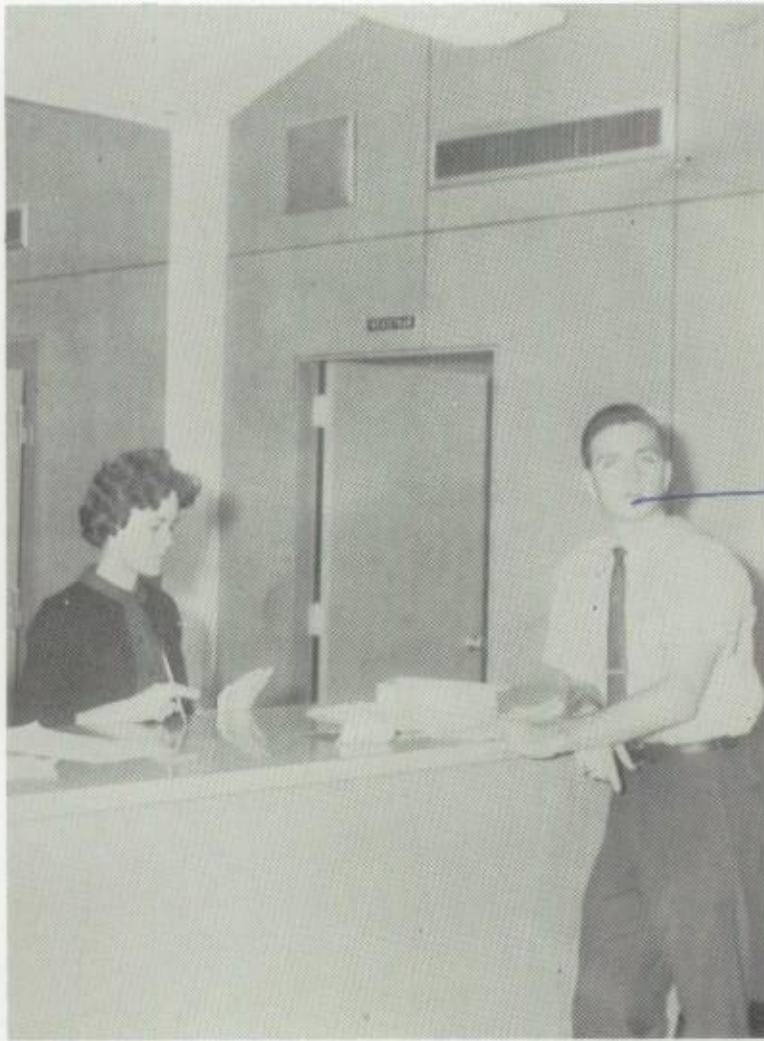

As you look at these pages we hope they bring back many happy care-free memories for years to come. This is your record--shadows of the past on paper to give tangible evidence that here are hundreds of individuals who studied, worked, played, and made our new school one in which we take pride now and forever.

Jimmy,
Even though
I don't know
ya real-real
well, I'm glad
I do know
ya. I think
you're GREAT!
It's too bad
you hafta
graduate (soon)
Stay just
as cute as
you are,
and I wish
you all
the luck
and happiness
in the world.
Good luck
at U.T.
Love ya,
Rosalie

members are class officers while others are representatives from
each organization in school.

Sponsored by Mrs. Nancy Babbitt, Mr. Robert Bupp, and Miss
Olita Parman, Cabinet members meet monthly to plan and discuss
school activities. Two major annual activities are Homecoming
in the fall and the literary banquet each spring. This year in co-
operation with FFA, the Cabinet introduced Tommy Toro, who
appeared at all home football games. Also this year, the Student
Cabinet promoted dress up day every Friday.

Brahma

ABOVE: Jeanne Labuda, second year journalism student, is Copy Editor of the Brahma Round-Up. Nancy Corbin, business manager, organizes ad sales and does the advertising layouts. BELOW: Carolyn Pack, Romelia Pena, and Mike McCormick copy-read stories before deadlines.

Susi Wilk, editor, is putting up a bulletin announcing a forthcoming issue of the Round-Up. As editor, Susi, not only makes assignments, writes stories and headlines, but also does make-up on all pages. Each Thursday prior to publication she and her staff go to the Kingsville Record to help with make-up in the press room.

ABOVE: Chuck Carter, Roldan Guterrez, Tommy Nelms, sports writers keep clippings of all district games in a newly organized sports file. LEFT: Jeri Bellamah and Jeanette Malina, exchange editors, look carefully at one of the papers secured through exchange.

Round-Up

For twenty-nine consecutive years the Brahma Round-Up has been published every two weeks by the journalism classes of King High. An increased interest in journalism and the Brahma Round-Up this year resulted in two classes.

All journalism students work on the newspaper in addition to regular class work. For each paper two students serve as issue editors. This method gives everyone an opportunity to work at the print shop at least once during the year.

For many years the Brahma Round-Up has been a member of the Interscholastic League Press Conference and this year joined the National Scholastic Press Association. Both organizations offer helpful suggestions and criticisms. In 1938 the Brahma Round-Up became affiliated with Quill and Scroll, international honorary organization for high school journalists. This charter was renewed in the spring of 1963 and has been active ever since.

ABOVE: Senior reporters Eric Genz, Phyllis Schoettle, Cindy Baker and Billy Boyd look at an issue of the Round-Up just off the press.

BELOW: Larry Fuller, standing, points out an error to Jerrie Rogers, while Mary Chesnutt and R. A. Kennedy stop counting papers long enough for a picture.

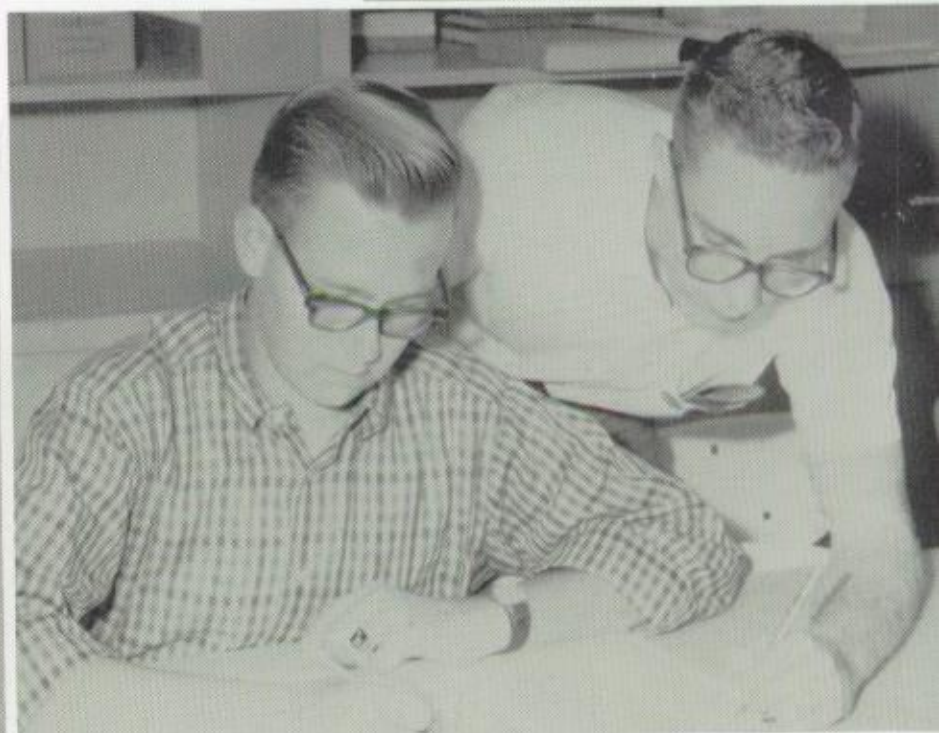

ABOVE: Circulation editors, Micki Elder, and Jeff Roerig are ready to distribute armfuls of Brahma Round-Up.

LEFT: Maria de Luis Ramierez, Pat Garcia, Kit-tile Pike, and Doris Clark seem pleased with this new issue.

Pat Garcia, assistant editor, Miss Lucy Zamora, journalism student teacher, Mrs. Rubina Schroeder, sponsor, and Phyllis Schoettle, editor discuss headline types.

An annual is a reference book and permanent record of the school year. To a member of the staff, however, the yearbook represents the tenseness before deadlines, when pressure is high. The pace quickens, and somehow the pictures are printed, the copy written, pages drawn up, finished, checked, double checked and finally mailed. The first emotion after the shipment of copy is relief, then exultation.

ABOVE: Sports editors R. A. Kennedy and Billy Boy discuss football layouts.

LEFT: Sophomore editors Frankie Jo Thomas, Ellen Fein, Suzanne Conner, and Irma Mendoza check and recheck the list of sophomores.

Toro

Anne Labuda and Rome Pena, organizations editors, proportion pictures and identify students in these pictures.

Director Garcia, Junior class editor, draws up junior layouts, while Daryl Koenig, business manager, records daily annual sales.

Senior editors Karen Gallimore, Judy Ryon, Terri Winkler, and Buffi Rosser stop working on senior activity lists to pose for the photographer.

Photographers Ray Arthur and J. C. Walker spent many hours in the darkroom to make this annual possible.

Margaret Rabon runs Dwayne Nix on field to start the pre-game highlights.

King High completed its 1964 football season on November 6 and heartbreaking defeat combined with joyous victories etched their way into the memories of KHS students, with Miller, Victoria, Carroll, and Ray High Schools each initiating the Brahmas into the North Zone of District 14-AAAA. . Any beliefs that the Bulls did not belong to such a rugged class of footballers, however, was immediately disproved by a hard-fighting, devoted, well-organized KHS team, despite a one win - three loss conference record.

William Webb rushes the Brahma ball with Carroll's men on his tail. Carroll clung to a first quarter lead in one of the season's most thrilling games.

Ben Cortez carries the Brahma ball for yardage while Alice follows. Alice vowed to drive the bulls off the field, but were disappointed.

Miller stops yardage on Brahma 35 yard line. This was first time that King High defeated a Corpus Christi team.

Winter of 1964-65 saw full Brahma spirit harnessed behind the surging King High basketball team. KHS fans alternately held their breaths and roared encouragement through thrillers such as Edinburg, Austin, and Breckenridge. Students and townspeople wore ribbons, sent telegrams, wrote letters, and clapped louder to secure attention for the local team. "Go, go, git 'em, git 'em" became watchwords and "Back the Brahmas" took on sincere importance as the Bulls played their way to fourth place in the State Tournament at Austin. The 1964-65 King High basketball season may be described as thrilling, exciting, dramatic--but best, as unforgettable.

The Evolution Of A Still Life

Not too much yellow, Eric! Micki advises as they mix paint for their still life paintings.

At right: Micki interrupts her work on her still life painting to say, "See, Mrs. Newton, I do work occasionally."

Micki Elder and Eric Genz arrange a monochromatic still life for the class study of color.

When paintings are finished they are placed on the bulletin board for class criticism.

Mrs. Newton said there'd be days like this!

Jimmy,
 It has been so wonderful knowing you all
 these years. I'll always remember the times
 at the Dairy Queen (good & bad)! I can't explain how
 I feel about you, Jimmy but I hope we'll always
 be best of friends. I don't guess ole X'ville will
 be seeing much of you this summer. You'll be
 in Yakum. I do hope Marsha comes here for a
 while. & everyone will love her. We've had loads
 of fun in school as well as out! I hope our fun
 continues. It sure is sad seeing the senior class
 leave. Just because yall are going doesn't mean
 we'll forget you. Your senior class is just
 great. Best one in a long time. I want
 to wish you all the luck in the world
 and may you have everything your heart
 desires. (Including Marsha.) Thank you
 for help with
 my problems.
 I'll always think
 a lot of you.

Love always,
 Laris

Mildred

Jimmy, you're a great guy and
 a real good date! I'll always re-
 member the Blue Bonnet Dance
 -Honest! Leaving Kingsville is
 sure going to be hard and
 you are one of the reasons
 why. Good Luck next year.
 Have fun. Please write me
 in Denver -

I'll miss ya,
 Love, Sybil!

Board Of Trustees

MR. JOHN S. GILLETT
Superintendent of Schools

As a result of the efforts of the Board of Trustees and many others, Kingsville now has a new high school, one of the most modern in South Texas.

The School Board began examining new high schools in the South Texas area in 1960 and selected the firm of Smyth and Smyth to present preliminary estimates. In 1962 they began accepting bids for general contracting, electrical work, plumbing, and air-conditioning.

Construction of the new high school was begun in 1962 and was completed in 1964. The first classes were held in the new building in the fall of 1964.

These men and women give freely of their time and energy to support and improve the Kingsville school system.

The members of the Board of Trustees are Mr. Richard Westbrook, Mr. Leo Perez, Mr. Gene Rogers, Mr. Bob Hope, Mr. John S. Gillett, superintendent, Mr. Nick Harrell, president, Mrs. Opal Knight, secretary to the Board, Mrs. Andy Cook, and Mr. M. L. Auten.

I can't tell you
in words how I feel
about you. You are
the cutest, sweetest,
nicest and understand-
ing guy I've ever known.
I've really enjoyed know-
ing you these past few
years.

We've had a lot of
fun together and hope
we can have many
more.

I guess you know I
think the world of you

MR. PAUL F. JONES
Principal

It's the steady, constant driving
To the goal for which you're striving,
Not the speed with which you travel,
That will make your victory sure.
It's the everlasting gaining,
Without whimper or complaining
At the burdens you are bearing,
Or the woes you must endure.
It's the holding to a purpose
And never giving in;
It's the cutting down the distance
By the little that you win;
It's the iron will to do it
And the steady sticking to it;
So whate'er your task, go to it!
Keep your grit and plug along!

In Memory Of

Mr. H. M. Smith

Mr. Henry Smith, King High biology teacher, died suddenly at his home Tuesday, February 23, 1965.

This dedicated teacher is remembered for his school spirit, his intense interest in his students, and his sympathetic understanding of his fellowman.

These qualities are reflected in the activities of the Future Farmers of America club which Mr. Smith instituted at King High in 1951. In 1964, Mr. Smith was the recipient of the annual K-club award for being the most school spirited teacher.

Mr. Hardy Aldrich and Mr. C. O. Cavazos, standing before a cutoff to the air conditioning, discuss the school layout.

Craig Jones, Michael Musick, Rolando Molina, and Steven Haunschuld join in an old barbershop quartet to sing "Lida Rose" at the first band concert for students.

The Fourth Army Band pauses for a rest during their annual concert for the students.

Students Practice

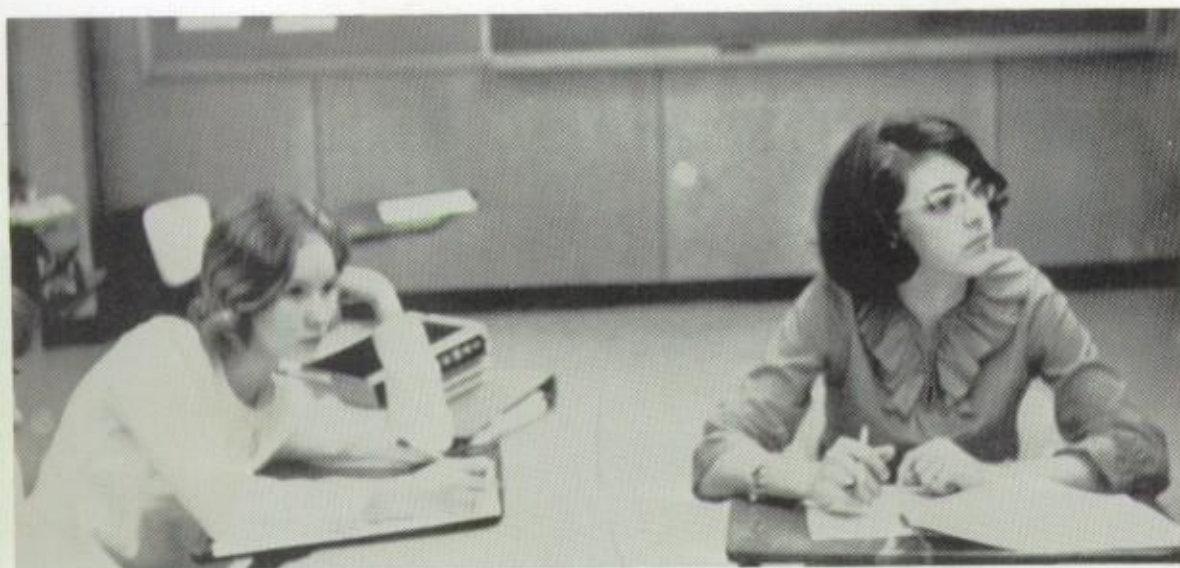

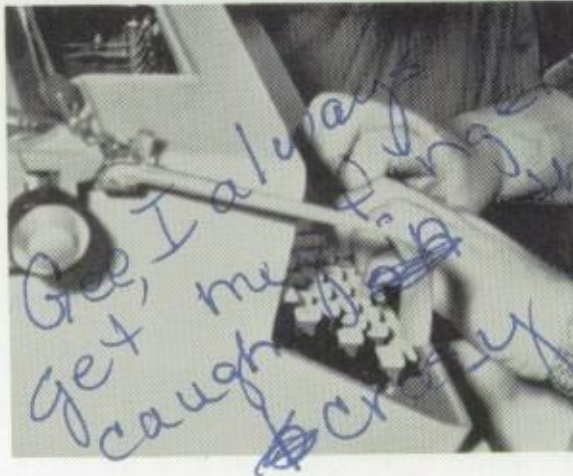

Chris Jankovsky practices typing for the UIL meet.

King High hosted the district University Interscholastic League Literary Meet on April 3 here. Eleven North and South Zone schools competed in fourteen events.

Below: Jeri Bellamah and Dee Dee O'Brien pay close attention during practice of the one-act play in which Jeri is the grandmother and Dee Dee, the daughter.

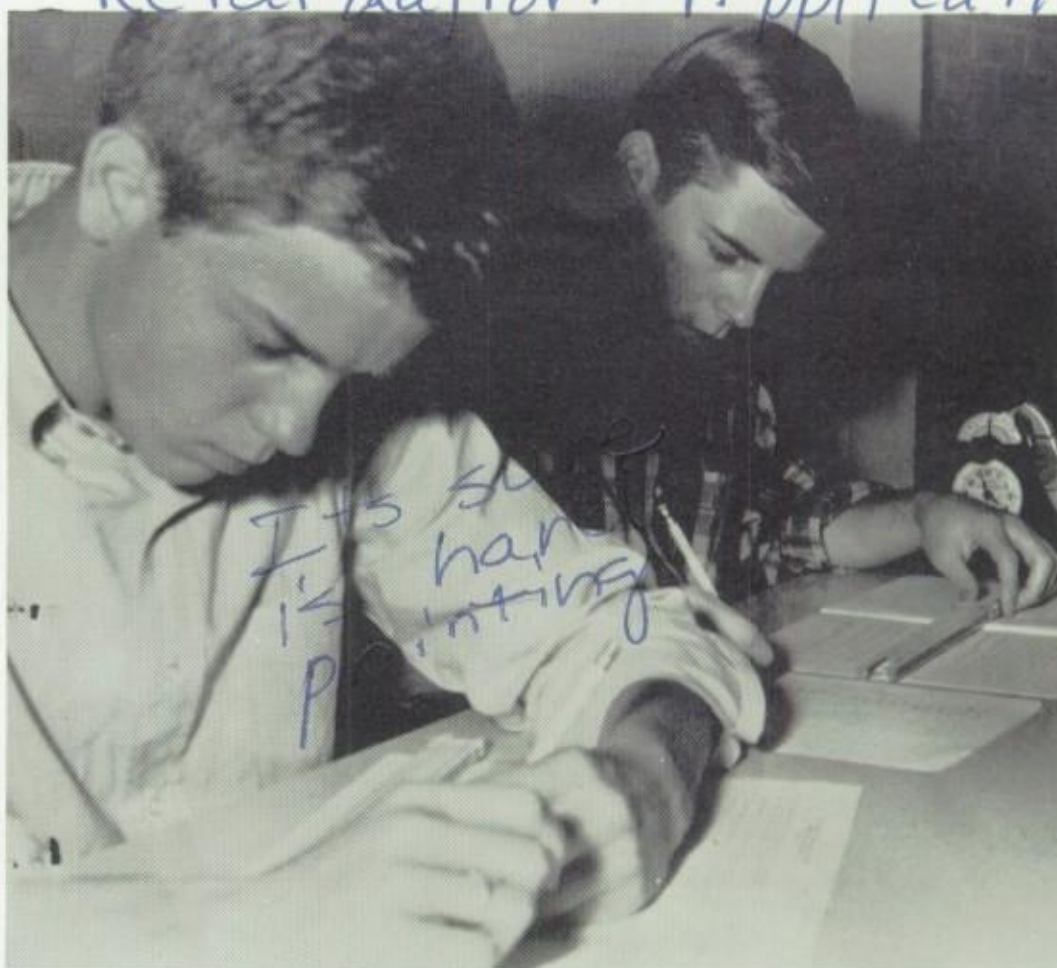

Right: Lynne Britting listens intently for instructions on the play in which she plays the part of the mother. Cindy Hartman, not pictured, portrays the great grandmother.

For UIL ~~21st~~ Mental Retardation Applications

Students competed in the one-act play, poetry interpretation, prose reading, extemporaneous speech, persuasive speech, and debate. They also participated in ready writing, spelling and plain writing, number sense, slide rule, typing, and shorthand. For the first time this year journalism students competed at the district level; previously they competed only on a regional level.

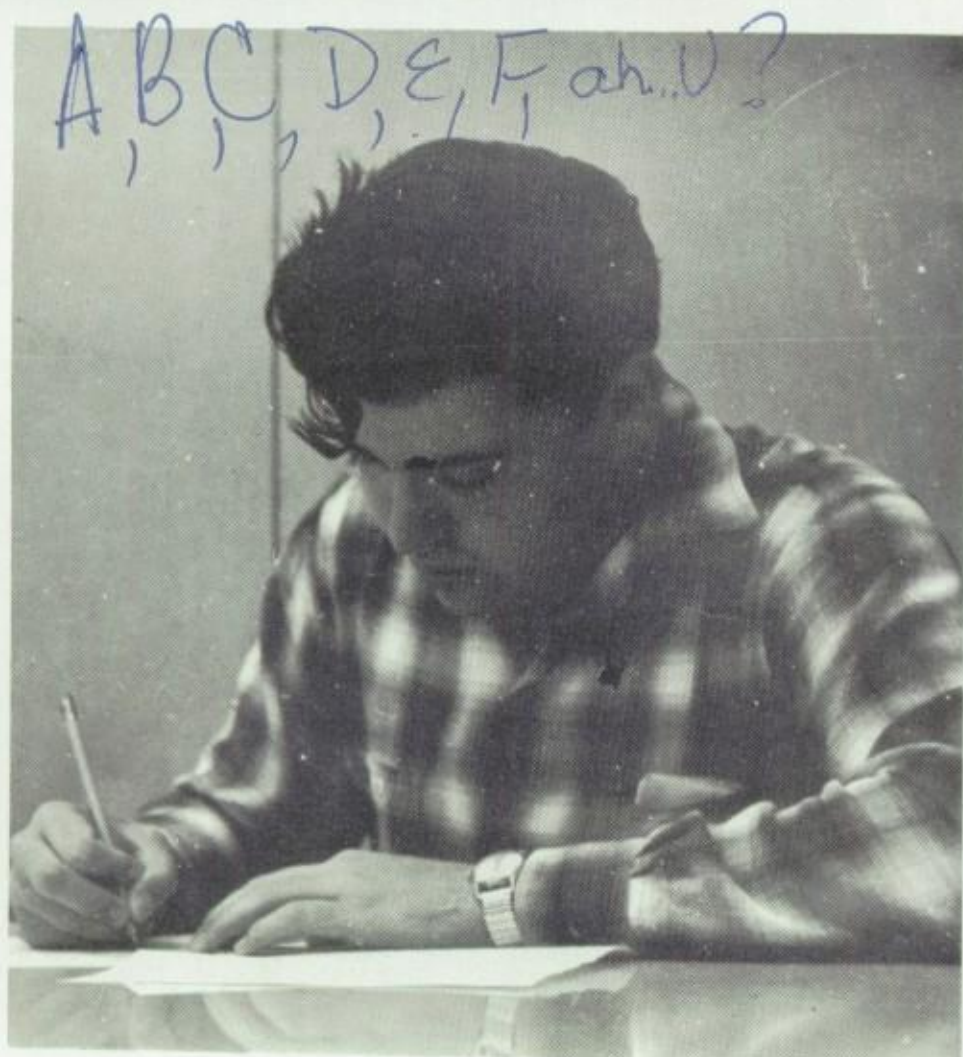

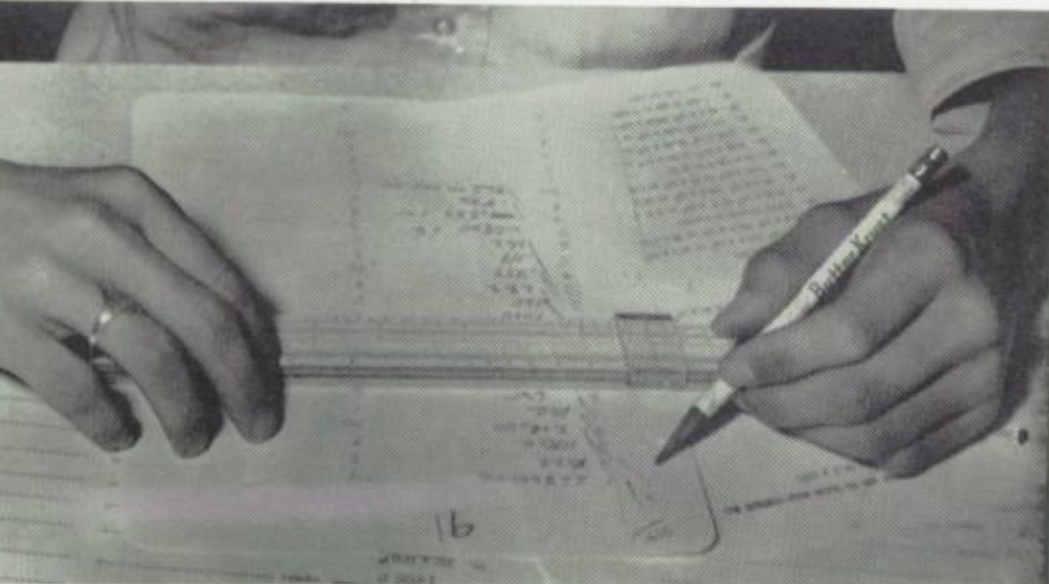

Students pictured on these pages only represent the many students who participated in these events. Yearbook deadlines seldom permit adequate coverage. As a result many who entered and many more who tried out are not recognized here.

James Lenard and Larry Fuller take a 30-minute practice test in preparation for the UIL Contest in April.

James checks his paper after completing the test.

Good Luck Hector - we're all behind you

give Kathy too
much trouble. Love
a friend of yours
Jimmy

The crowd shares the players enthusiasm after winning the final game with Edinburg for the District championship.

Jimmy, it's been
 six years for
 us, ever since junior
 high. We've had many en-
 joyable and memorable
 times together. I don't
 know what King you seniors will be
 next year after the sweetest and most
 you are of the boop I've ever known. It's
 understanding honor knowing you and going to
 been a great I wish you the best of luck in
 school will you. I hope we can always remain
 the future and I hope we can always remain
 to be best of friends!

Love,
 Sandra

life. You've really got the makings.
Since I have lived here in Kingsville

you will ever know. I hope you have the
best of luck and happiness that life has
to offer.

"Sis 66"

Love ya,
Doris

- Jimmy -

It's really been great knowing you
the past five years. It's hard to realize
that all of you "big, bad Srs" won't
be here next year. Jimmy, I ser-
iously think you're a wonderful
boy with lots to you. I enjoyed the
many talks I had with you over,
you can be very understanding
(at times!) I hope we can remain
friends for years to come - I'm
really anxious to see what becomes
of you. Best of luck in the future,
you deserve it. See you at 1 year
after next!!
